Hi Pete,

Following is the FOIA request:

"Under the Freedom of Information Act, I am requesting all records of communication between the Environmental Protection Agency, Region 8, and Crestwood Midstream Partners going back to July 1, 2014. If you deny all or any part of this request, please cite each specific exemption you think justifies your refusal to release the information and notify me of appeal procedures available under the law. If you have any questions regarding this request, please feel free to reach me by email."

We had request from New York times and AP last summer which we responded to. I do not recall that Crestwood was mentioned in the previous FOIA's. Do you know if EPA has had any communication with this company, "Crestwood Midstream Partners"

[REDACTED]

Thank you,
